To whom it may concern

Re: C. F. Jones Group

As of the date of this writing, AAI has completed two projects with C. F. Jones Group. They have both gone sufficiently well for us to look forward to the next opportunity to work with them; we are actively seeking those opportunities.

Fred, Mary Lou, Brian, Adrian, Lisa, and Hobie have been a pleasure to work with; I trust them.

Sincerely,
Architectural Alliance, Inc.
